

Temporary (Non-Certified) Member CSMLS Examination Process Chart

1st Attempt

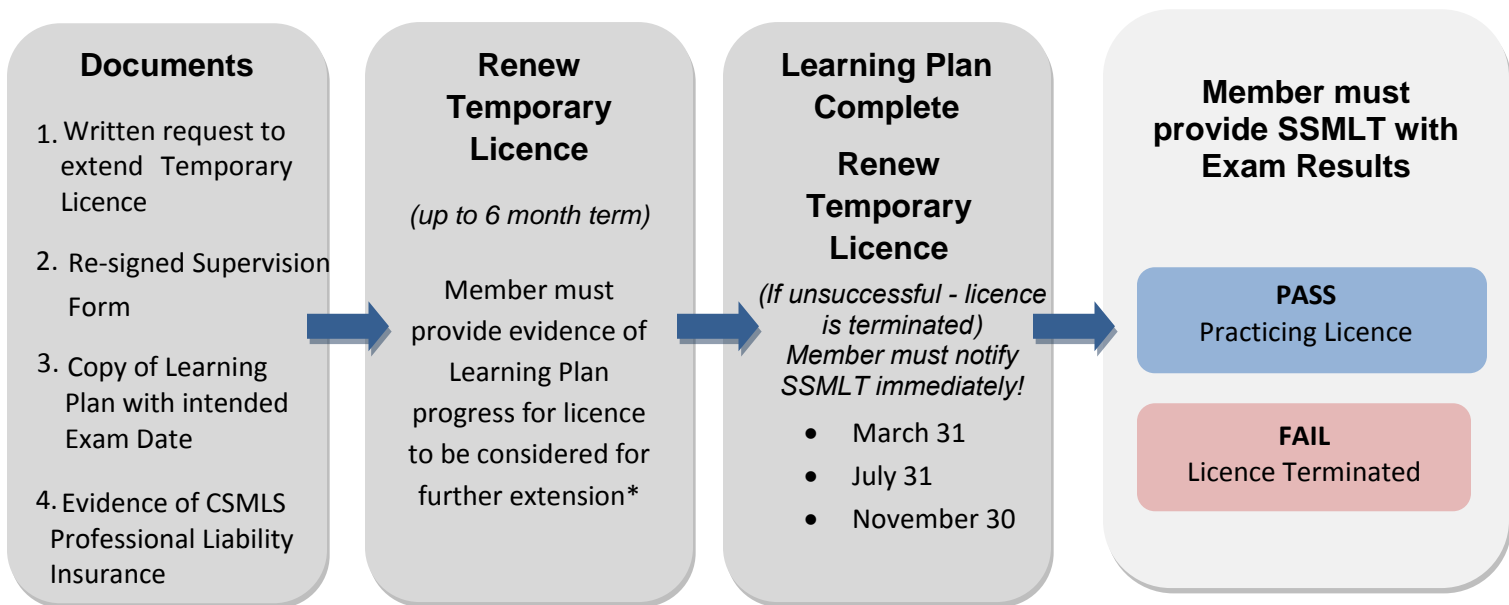

2nd Attempt

Current Temporary Members- requesting licence extension

3rd Attempt

Current Temporary Members- requesting licence extension

Please Note

*The extension may be terminated at any time if the member does not demonstrate progress.

Professional Liability Insurance

SSMLT Practicing and Temporary Members (First Attempt only) membership includes professional liability insurance (PLI). SSMLT is not able to purchase professional liability insurance for temporary members following the first unsuccessful attempt of the CSMLS exam. Members that are not eligible for professional liability insurance through SSMLT, **must** purchase professional liability insurance directly from CSMLS and provide evidence of such to SSMLT to be eligible for temporary licence extension.
